

July - December 2010 Technical Training Schedule

As an independent specialist, iTrain provides full ongoing training support of all releases back to v6 of dbase, including Oracle 7, 8, 8i, and 9i, and the corresponding tool sets. iTrain covers core technology and database courses across the full line of Oracle 10g & 11g. In most cases if you understand the latest version, you become proficient with the previous version and in addition fully prepared for future upgrades.

If you would like any further information, support, or advice please contact the iTrain team: **+44 (0) 207 608 1835**

Details of scheduled course overviews; request only courses; Oracle 11i and R12 E-Business Suite courses; Java and Web Courses; SAP Courses; Oracle Fusion Courses; terms and conditions; eLearning; and transition management services are available on our website: www.itraineducation.com
